DEICERS/CHEMICALS

Boost salt brine enhancer inhibitor (EnviroTech)

<http://envirotechservices.com/deicing-anti-icing/salt-brine-additives/boostsb/>

State	Quantity tested	Season tested	Instructions	Ease of installation	Vendor support	Durability	Addressed problem	Overall satisfaction
Idaho	4000 gallons	2016-2017	5	5	5	N/A	5	5

Comments

Boost was effective at various concentrations and reduced the number of applications on the roadway. The use of Boost helped maintain the salt brine mixed with Boost at colder temperatures and worked better at staying on the road longer.

IceKicker (Saltworx)

<http://saltworx.net/ice-kicker/>

State	Quantity tested	Season tested	Instructions	Ease of installation	Vendor support	Durability	Addressed problem	Overall satisfaction
Idaho	N/A	2016-2017	4	4	4	N/A	4	4

Comments

Ice Kicker was a good product and we used less per lane mile than regular salt.

Ice Slicer deicer
